Dear Customer,

RE: Halal Certification for WERIT UK Limited

WERIT UK Limited are 100% committed to the supply of Food Safe Bulk Packaging from our manufacturing facility in Irlam, Manchester.

From strong foundations based on A\* BRCGS Accreditation, which ensures an unrivalled standard of quality, safety and traceability for all Bulk Packaging manufactured at the facility, we have also maintained certifications in line with Halal & Kosher Standards for many years.

That said, as a result of a change in process and paperwork with the Halal Monitoring Committee (HMC) UK, there is a delay in the renewal of our Halal Certification which lapsed in June this year.

Please be reassured that this is only a delay in acquiring Halal Certification and the same operational culture, standards and material supply remain in place that have been endorsed by the HMC UK for many years.

A HMC UK Audit is scheduled for October and we will forward the renewed Halal Certificate at the earliest opportunity.

Yours Sincerely

Sunny Prakash
